To Whom It May Concern:

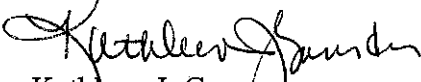

It is my pleasure to write a letter of recommendation for Faith Cotter, a student of mine at Point Park University.

I have known Faith for two years during which she has taken both my Journalism 2 and Features. Faith is a personable, intelligent student who has been a delight to have in class. Her writing skills have grown – she has interesting story ideas, insight into which aspects of a story people really want to know, she develops the stories in a logical, natural order and the mechanics of the actual writing process itself have strengthened.

In addition to her writing skills, Faith is one of the hardest working students that I have ever met. She goes above and beyond to find a story, interview her sources and get the “real” story. She also will work on crafting her article, taking suggestions and creating the best article possible.

If you need further information or wish to speak with me, please contact me at 412-487-2565 or kganster@pointpark.edu.

Sincerely,

Kathleen J. Ganster
Adjunct Professor
